**Summary** 175 words which concisely and impartially summarizes the measure and its major effect.

The measure, if approved, would authorize the district to levy taxes to support the annual cost of fire and emergency medical services including an additional two new employees, and the establishment of a student recruitment and training program, while expanding 24/7 coverage within the District. The measure would provide for a local option operating levy at a rate not to exceed \$0.60 cents per \$1,000 of taxable assessed value within the district for five years, beginning July 1, 2024. The estimated revenue over five years is:

Fiscal Year Estimated-Yearly Total
