## Keeping Your Home Cool:

If you have an air conditioner, make sure it is installed and working. Set air conditioners to the setting most comfortable to you, preferably between 72°F and 79°F. Block the sun by using awnings or closing curtains and blinds during the day. Avoid using a fan as your main cooling source — especially when it is 90°F or more.

If you don't have a place that is cool during the hottest parts of the day, LCPH recommends visiting a place that has air conditioning, e.g., a library, community center or shopping center, or a park with plenty of shade and/or a water feature, like a splash pad.

Eugene Community Centers are open for regular hours:

- Amazon and Petersen Barn community centers 9 AM – 5 PM Monday-Friday.
- Hilyard Community Center 9 AM – 5:30 PM. Monday-Friday.
- Sheldon Community Center 8 AM. - 6 PM Monday-Friday.
- Campbell Community Center 8:30 AM - 4:30 PM Monday-Friday.
