

Lane County Transfer Stations

Transfer stations are open to the public for self-haul drop off of recycling and garbage. Lane County transports garbage to the Short Mountain Landfill in large loads—reducing traffic to and from the landfill and saving energy, time and money. Much of the recyclable materials such as scrap metal, yard debris, and wood waste are transported by Lane County to privately owned facilities for processing. Other materials are collected and recycled on a contractual basis by private companies and non-profit organizations.

Garbage Fees

Garbage fees fund all programs offered by Lane County Waste Management Division. **NO INCOME OR PROPERTY TAXES** are used to pay for Lane County Waste Management Division programs.

Quantity	Rural Sites	Glenwood & Florence
