Executive Summary

The Civil & Court Transportation/Security Units support the operations of the Circuit Court. The Civil Unit serves court process within the Eugene-Springfield metro area and conducts writs of execution or assistance requiring law enforcement authority. The Civil Unit serves a high volume of Court Protection Orders and handles Court Ordered evictions. The Transport Unit moves inmates to and from the jail and courthouse for proceedings, coordinates and conducts out-of-state extraditions, transports inmates to and from corrections and mental health facilities and provides courthouse, juvenile justice center, and Public Service Building security.

Service Descriptions

	Revenue	Expense Total	General Fund	FTE
Adopted Budget Total	\$266,000	\$1,849,610	\$1,583,610	11.00

The Civil Unit serves civil process and conducts statutorily required property sales. It is functionally below "threshold level" as a significant number of documents go un-served or are not accepted for service due to lack of staffing. Routine services (inmate transport for court proceedings, essential medical appointments and Courthouse security) are sometimes delayed. 11.00 FTE: 6 Transport Deputies, 3 Civil Deputies, 1 Sergeant and 1 Records Officer. A transfer from the general fund partners with the Circuit Court to provide security in the courthouse and public safety building.
