Re: *Public Records Request*

Mr. Farley,

The following will constitute the District Attorney's order in this matter.

On August 25, 2023, Mr. Farley submitted a public records request to the University of Oregon (University) for records relating to the proposed entry of the University into the Big Ten Conference. The University denied the request. Mr. Farley filed this appeal.

On September 20, 2023, I forwarded a copy of the appeal to the University, requesting a response.

On September 26, 2023, I received a response from the University, via the email address used by the University for public records matters. The response is on University letterhead, but is unsigned, and is not attributed to a specific person. The response states that the University is not currently in possession of any records that are responsive to Mr. Farley's appeal.

I will accept the representation. Therefore, the appeal is denied.

Sincerely,

PATRICIA W. PERLOW, District Attorney

Robert D. Lane  
Deputy District Attorney
