## **MONTHLY PROGRESS NOTES**

FOR CHILD FOSTER HOMES

## LANE COUNTY DEVELOPMENTAL DISABILITIES

Document health, safety, activities, progress, and support provided. Include actions taken or planned. Be brief and concise.

Best Practice: record activities and events soon after they happen.

Month:

| Name of Child:      | Wiontn: | Year:   |
|---------------------|---------|---------|
| _                   |         |         |
| Date                | Notes:  |         |
|                     |         |         |
|                     |         |         |
|                     |         |         |
|                     |         |         |
|                     |         |         |
|                     |         |         |
|                     |         |         |
