AFN-21-06

This Memorandum of Understanding is entered into, by and between Lane County hereinafter referred to as COUNTY, and the American Federation of State, County, and Municipal Employees (AFSCME), Local 2831-Nurses Unit, hereinafter referred to as UNION, for the purposes of clarifying health insurance benefits for Expanded Practice Dental Hygienists ("EPDH") and to settle AFSCME Grievance 2021AFN005.

It is hereby agreed that:

1. Effective January 1, 2022 the COUNTY will provide family health insurance to EPDH employees who are regularly scheduled for 30 hours or more per week when school is in session. The 30 hours or more per week is based on the employee's regular schedule when school is in session and is not based on an annual or fiscal year average. Employees must be scheduled for 30 hours or more per week when school is in session to be eligible for full family benefits.
2. The COUNTY will provide employee only health insurance to EPDH employees who are regularly scheduled for a minimum of 20 hours and a maximum of 29.99 hours per week when school is in session.
3. In accordance with Article 18 of the Collective Bargaining Agreement, employees who are unable to work their set schedule of hours in a work week will need to use time management (TM) to supplement up to the scheduled hours. However, employees are eligible to request leave without pay (LWOP) for the weeks in which there are no regular school sessions. These sessions are identified as Spring Break, Summer Break and Winter Break. In the event school is closed due to inclement weather, employees will be able to use TM or LWOP in accordance with the County's Inclement Weather Policy.
4. The UNION and the COUNTY agree that this will resolve the class action grievance related to EPDH Health Insurance Coverage (2021AFN005).
5. This agreement will be memorialized in the CBA during the next successor negotiations.

MOU AFN-23-01

This Memorandum of Understanding is entered into, by and between Lane County hereinafter referred to as COUNTY, and the American Federation of State, County, and Municipal Employees (AFSCME), Local 2831-Nurses Unit, hereinafter referred to as UNION, for the purposes of establishing the Medical Assistant Apprentice classification and apprenticeship program.

It is hereby agreed that:

1. The COUNTY will establish the Medical Assistant Apprentice (MAA) classification. Positions in this classification will be paid on the AMA scale, grade 15, \$17.27/hr. Grade 15 will only have one (1) step; step advancement will not apply to this classification.
2. The MAA classification is part of the Medical Assistant classification series and will be flexibly staffed. Persons in MAA positions will be flexed into Medical Assistant 1 B060 (MA1) after the successful completion of MAA certification.
3. Probationary period:
 - a. Current non-probationary employees who are successful applicants for a MAA position will serve a probationary period for the duration of the apprenticeship, with additional three (3) months upon flexing into the MA1 classification.
 - b. Current probationary employees and external applicants will serve a probationary period of twelve (12) months. The probationary period will be calculated based on the date of entry into the MAA classification and will continue through flexing into the MA1 position. Example: An employee begins as an MAA on April 1, 2023, flexes to the MA1 on October 20, 2023 and the probationary period will end on March 30, 2024.
4. Current non-probationary employees who fail, as determined by the COUNTY, to satisfactorily meet the requirement of the apprenticeship program or MAA classification, at any time during the probationary period, shall be returned to the previously held position or classification in the former department, provided the employee completed the initial probationary period prior to entering the apprenticeship.
5. For the period of April 1, 2023 to March 30, 2024, the COUNTY will offer recruitment compensation in the amount of seven thousand dollars (\$7,000) to each current employee who is a successful applicant and accepts a MAA position. Successful current employee applicants will receive a distribution of three thousand five hundred dollars (\$3,500) in the first full pay period following the date they begin in the MAA classification and an additional three thousand five hundred dollars (\$3,500) in the first full pay period

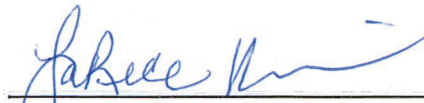

following flexing into the MA1 classification.

6. Current employees eligible for the recruitment compensation will be required to sign a retention agreement with the COUNTY to be eligible for the recruitment compensation as described in paragraph 5 above. The retention agreement will require employees who voluntarily separate from the MAA or MA1 classification within two (2) years from the first distribution date to reimburse the COUNTY for the retention compensation; prorated for the length of service from the distribution date on the total amount received.
7. The parties agree to memorialize this agreement during successor negotiations in 2024.
8. All other conditions, including cost of living adjustments, in the Collective Bargaining Agreement remain in effect.
9. This agreement in no way sets a precedent for future agreements or obligations for the COUNTY or UNION to continue the arrangement.

MEMORANDUM OF UNDERSTANDING

Non-Exempt Flexible Scheduling Trial Extension

MOU AFG-23-16, AFN-23-07

This Memorandum of Understanding is entered into, by and between Lane County hereinafter referred to as COUNTY, and the American Federation of State, County, and Municipal Employees (AFSCME), Local 2831-General and Nurses Units, hereinafter referred to as UNION, for the purposes of extending MOU AFG-22-34/AFN-22-19 allowing non-exempt employees to flex schedules within a workday or workweek.

It is hereby agreed that:

1. In accordance with the General Unit collective bargaining agreement, Article 9, Section 5 (A)(2) "Overtime will be paid for all hours worked beyond the normal scheduled work hours" for non-exempt employees. In accordance with the Nurses Unit collective bargaining agreement, Article 9, Section 5 (B) overtime will be paid for "all work performed in excess of eight (8) hours in any one (1) workday."
2. The COUNTY and the UNION agree to suspend the language outlined in paragraph 1 for the purposes of allowing non-exempt employees to flex their schedules on an extended trial basis within a workday or workweek under the following provisions:
 - a. Employees must have advance written/e-mail supervisory approval for planned absences, such as medical appointments, etc. with at least one day in advance notice (same-day requests will not be approved, except for emergent situations as outlined in paragraph 2b. below). For example, if an employee has a doctor appointment from 8:00 am – 9:00 am and wishes to work until 6:00 pm that same day to make up the hours, they must seek supervisory approval at the time of requesting the absence for the appointment. In this example, the hour from 5:00 pm – 6:00pm would not be eligible for overtime or compensatory time.
 - b. Employees must obtain supervisory approval in writing/by email to flex their schedule for emergent situations. For example, if an employee must take part of a morning off to arrange for unexpected childcare issues, they must seek supervisory approval to flex their time into the evening or on a different day in the workweek to make up the hours. Supervisors and managers will grant requests equitably among similarly situated employees.
 - c. Supervisors will consider all impacts to operational or business needs when approving or denying requests. It will be management's sole discretion in approving or denying requests.
 - d. Denial of temporary flex schedule changes are not subject to the grievance procedures of the collective bargaining agreement or any other appeal process. The parties agree to discuss denial concerns during regularly scheduled meetings with the Department Director.

- e. The COUNTY retains the final decision relative to work schedules as outlined in General Unit Article 9, Section 3 (D) and Nurses Unit Article 9, Section 3 (B) of the collective bargaining agreements.
 - f. The flexing of schedules must not interfere with the statutory and contractual obligations for employees to receive rest and meal periods.
3. This agreement in no way sets a precedent for future agreements or obligations for the COUNTY or UNION to continue the arrangement.
 4. The parties agree to evaluate the process and discuss potentially memorializing this agreement during successor negotiations in 2024.
 5. This agreement shall be effective the first full pay period following signatures of both parties.

ARTICLE 11

LEAVE TIME AND HOLIDAYS

Section 1 – Holidays

(A) The following days shall be recognized and observed as paid holidays subject to the provisions of paragraphs (B) and (C) of this Section:

New Year's Day	Independence Day
Martin Luther King's Birthday (3rd Monday in January)	Labor Day (1st Monday in September)
Presidents' Day (3rd Monday in February)	Veterans' Day (November 11)
Memorial Day (Last Monday in May)	Thanksgiving Day
	Christmas Day

(B) Qualifications

The above **COUNTY** holidays are to be paid holidays, but only for eligible and qualified employees. For the purposes of this Article, an eligible and qualified employee shall mean any non-probationary or probationary permanent employee who:

- (1) Reports for work or is on paid leave on their last scheduled work day prior to and first scheduled work day following, the holiday; and
- (2) Whose scheduled work day or paid leave prior to or following the holiday falls within two (2) calendar days of the holiday.

(C) Holiday Pay

- (1) Full-time eligible bargaining unit employees shall be compensated for each holiday as follows:
 - (a) When a bargaining unit employee has requested and is regularly working on an alternate work schedule while other employees within the same division are working a five (5) day, eight (8) hour work schedule, the employee shall have the option of reverting to a five (5) day, eight (8) hour schedule on a week including a holiday or of remaining on the alternate schedule and using two (2) hours of accrued Time Management or compensatory time to supplement the eight (8) hours of holiday time off.
 - (b) When bargaining unit employees are required by the **COUNTY** to work a four (4) day, ten (10) hour work schedule or all of the bargaining unit employees within the Division are on a four (4) day, ten (10) hour schedule, the eligible employees shall receive ten (10) hours compensation for the holiday.
- (2) Part-time eligible bargaining unit employees shall be compensated for each holiday as follows:

- (a) During the week of a holiday, the **COUNTY** may permit part-time employees an opportunity for modification of their work schedule so as to work additional hours in order to receive a normal pay check, including pro-rated holiday pay, without having to use time management leave or other earned leave.
 - (b) In developing an opportunity for a modified work schedule for the week of a holiday, the **COUNTY** shall give good faith consideration to part time employees' interests regarding an alternate work schedule provided that the **COUNTY's** operational needs can be met. When work requirements are such that a team or work group approach is necessary for productive and/or effective accomplishment of work, the **COUNTY** may develop a single modified work schedule which seems to best accommodate the interests of the majority of employees on the team or work group and meet the operational needs of the **COUNTY**. The team or work group shall have the option of determining whether to operate using the normal or modified work schedule.
 - (c) If the **COUNTY** does not permit part time employees an opportunity for a modified work schedule for the week of a holiday pursuant to Paragraph (a) or (b), above, employees shall receive full holiday pay for the actual hours they would have worked on the holiday.
 - (d) If part time employees are offered an opportunity by the **COUNTY** for a modified work schedule for the week of a holiday pursuant to Paragraph (a) or (b) above, and elect not to change from the normal work schedule, employees must use accrued time management leave or other earned leave to supplement the pro-rated holiday pay in order to receive a normal pay check or receive a short pay check based on pro-rated pay for the holiday.
- (3) Compensation for holidays shall be as per the following:
- (a) Pay for each designated holiday which falls on a day the employee otherwise would work, or
 - (b) Time off with pay at the mutual convenience of the employee and the **COUNTY**, for each designated holiday which falls on a day the employee otherwise would not work.
 - (c) In addition to compensation under (a) or (b) above, a non-exempt employee required to work on a holiday shall receive, one and one-half (1-1/2) times the regular straight time rate for all work performed on a designated holiday or actual holiday, but not both.
- (4) Employees scheduled to work on the holiday, but who do not report, shall forfeit holiday pay unless such absence is for good cause.

(D) Holiday on Day Off

Whenever a holiday shall fall on an employee's scheduled day off, the last normal workday before the holiday or the first normal workday following the holiday (whichever is closer) shall be designated as the holiday. Whenever the Holiday falls equally

between workdays, the last workday before the holiday shall be designated as the holiday. However, as an option, upon mutual agreement between the Supervisor and the employee an alternate day off may be granted. The alternate day off must be taken by the end of the fiscal year. If the employee has requested the time and the request has been denied due to **COUNTY** requirements the time off will be granted within the following thirty (30) calendar days.

(E) Holiday During Leave

Should an employee be on authorized paid leave when a holiday occurs, such holiday shall not be charged against time management leave or other earned leave.

(F) Friday Following Thanksgiving

The Friday following Thanksgiving, though not to be construed as a holiday for pay purposes, shall be considered a day off with pay except for those employees required by the **COUNTY** to report for work. Employees so required to work shall be given an alternate day off at the mutual convenience of the **COUNTY** and the affected employee. The alternate day must be taken between the Friday following Thanksgiving and the end of the fiscal year. For eligible regular part time and eligible temporary employees, who are not covered under Section 5, Personal Time Off, hours are to be based on the average hours scheduled during the two (2) pay periods prior to the Friday following Thanksgiving.

Section 2 – Time Management

(A) Purpose

It is the purpose of the employee time management program to provide employees with a leave with pay program which is easy to understand, responsive to individual needs and easy to administer.

(B) Eligibility

- (4) Personal Holidays.

(C) Accumulation

Except as limited in subsection 4, (G) herein, leave time shall be accrued for each hour worked or hour of paid leave at the appropriate rate provided below.

Eligible employees shall accumulate earned leave, based on full-time status, at the following rates:

- (1) Subject to the terms provided herein, earned leave time shall be available for use as it is earned.
- (2) During the course of the year, absences from work for any reason unless otherwise specified elsewhere in this Agreement, shall be charged against the employee's accrued leave balance. Earned leave shall accrue whenever an employee is on pay status with the **COUNTY**. Employees do not accrue earned leave when on leave without pay.
- (3) Time management requested and taken on a given day shall be equal to the number of hours the employee actually takes off work provided that such time shall not exceed the number of hours the employee would normally have worked on that day.

(F) Maximum Accumulation

An employee may accumulate earned leave, excluding the separate vacation balance, if any, to a maximum of twice their annual time management accumulation. As of the end of the pay period in which March 31 falls in each year, any employee credited with accrued leave greater than twice their annual leave accumulation shall forfeit that amount above their maximum accumulation. An employee who has acquired the maximum allowable accumulation of earned leave may continue to accumulate earned leave for the balance of the year in which the maximum accrual was reached, provided, however, that the employee must reduce the accumulation to the maximum allowable prior to the following March 31 or forfeit the excess.

(G) Termination

After six (6) months of service, upon the termination of a non-probationary employee, the employee's accrued time management leave balance as of the date of termination shall be paid out at fifty percent (50%) of the balance at the current rate.

(H) Death

After six (6) months of service, in the event of the death of a non-probationary employee, all accumulated earned leave shall be paid to the employee's personal representative at the current rate of pay.

(I) Scheduling

(1) Employees shall, whenever possible, request time-off in advance. Use of such leave must be scheduled between the employee and the **COUNTY**. When an employee is sick or an emergency occurs requiring their presence elsewhere, the employee must notify their supervisor prior to the start of the employee's shift unless circumstances prevent the employee from doing so. If there is a situation that requires the employee to leave their worksite after the start of their scheduled shift, the employee shall notify their supervisor prior to leaving the workplace as appropriate per workgroup (examples include, but are not limited to: in-person, phone call, email or text message).

(2) Supervisors will make a good faith effort to accommodate all leave requests. Requests made more than two (2) days in advance of the time off requested will be granted under normal circumstances, provided that the number of employees gone simultaneously is not excessive. Leave which has not been scheduled with the employee's supervisor at least two (2) working days in advance is defined to be unscheduled. Excessive use or a pattern of unscheduled leave may require written substantiation of illness or emergency nature of leave requirement. Failure to provide legitimate substantiation may result in disciplinary action up to and including discharge.

(3) Upon receipt of a request for earned leave time off, the **COUNTY** shall grant or deny the request in writing as soon as possible, but in no event, longer than ten (10) days from the date of the request.

(1) Employees working in the Community Health Centers ("CHC's") shall:

(a) Be provided an opportunity to have requested leave considered, in addition to the normal considerations for granting leave, on the basis of seniority for requests received from January 1 through January 30. In case of conflicts between employees concerning the scheduling of leave, the employee with the longest period of continuous service with the **COUNTY** shall be given first consideration, provided that leave requests are made prior to January 30. Such exercise of seniority shall be limited to one (1) selection per calendar year.

(b) Time Management requests that are denied shall be placed on the Time Management calendar in a waitlist category with a number assigned as to the order on a first come first served basis. The Time Management calendar shall be

posted and made visible to all staff.

- (c) Supervisors shall respond in a timely fashion to written requests for leave. Requests for leave submitted after the January 30 seniority option, shall be deemed to be approved if not denied within fourteen (14) days of receipt for requests submitted more than two (2) months ahead within seven (7) days for requests submitted two (2) weeks to two (2) months ahead, and within fifty percent (50%) of advance time for requests submitted less than two (2) weeks ahead. All leave requests after January 30 each year shall be on a first come first serve basis.

(J) Conversion

- (1) Employees may sell accrued time management hours and vacation hours subject to the following restrictions:
 - (a) The maximum number of time management hours and vacation hours that can be paid out in a calendar year cannot be greater than the number of hours taken in that same calendar year or eighty (80) hours, whichever is the lesser.
 - (b) Employees must have a balance of at least forty (40) hours of time management after selling the time.
 - (c) The time management leave hours must be either scheduled or used prior to any conversion pursuant to this provision.
- (2) Subsection (1) above notwithstanding, during the last three (3) calendar years prior to retirement eligibility, employees may sell up to two hundred (200) hours per calendar year of their annual leave accrual at the current rate of pay. Extensions of an employee's scheduled retirement date notwithstanding, no employee will be entitled to this benefit in more than three (3) years.
- (3) Subsection (1) above notwithstanding, employees who are laid off may sell back up to a maximum of eighty (80) hours of time management inclusive of any time management previously sold back in that year. If and when employees are recalled, within the first six (6) months of recall, they may buy back all or part of their previously accrued leave balances at the rate in effect at the time they are recalled at the same ratio at which they were paid out.

(K) Procedure for Donation of Time Management

Time Management Donations will be allowed on a case by case basis and will require approval by Human Resources Director. Employees who have an extreme emergent situation, have no more than eighty (80) hours of available earned leave time, and will not qualify for short-term or long term disability through the **COUNTY**, may request Time Management Donations through the following procedure:

- (1) Employee or the employee's co-workers may make a request in writing to their supervisor stating the nature of the emergent condition and the reason for the request.

- (2) The Supervisor will review the request, verify the employee's leave balance and check to see if other options are available. If it is found that no leave is available, the request will be forwarded to the Department Director. If the Department Director concurs the request is forwarded to the HR Director for approval.
- (3) Employees of the Department are notified of need and given an opportunity to donate. In order for this policy to be most effective, employees should be given a specific period of time in which to donate hours.
- (4) The necessary Donation of Time Management Hours form is provided by the department and when filled out is submitted directly to Payroll in order to maintain confidentiality. Names of donors will remain confidential.
- (5) When an employee must take time off from work, hours will be coded as leave without pay. Donated hours are transferred to the employee's account as needed by Central Payroll. The donated Time Management hours may not be used for any other purpose than the emergency for which they are intended. The department is responsible for monitoring these hours and should notify Central Payroll if there are hours that are not eligible for donated time.
- (6) When the emergent situation has ended, any donated hours not used will be credited back to donors on a pro-rata basis.
- (7) Donations will be based on time donated, not dollar value of donation.
- (8) The eighty (80) hour eligibility period for Disability Leave defined in Section 4 below will not be subject to this program, unless an exception is granted by the HR Director.

Section 3 – Occupational Illness or Injury

Employees who sustain an injury or illness compensable by Workers' Compensation and who are unable to perform their assigned duties will be paid their regular salary minus any applicable employee contributions for lost time for the first ninety (90) calendar days of the employee's on-the-job illness or injury. Such time shall not be charged against any earned leave balance.

Section 4 – Paid Leave Oregon

- (A) An employee who has a qualifying life event and are eligible, as defined by ORS 657B.010, or their designee, must notify the State of Oregon and the COUNTY of the need to take Paid Leave Oregon (PLO) leave thirty (30) days before a foreseeable qualifying reason. In an emergency, or their designee, an employee must notify the COUNTY of the need to take PLO within twenty four (24) hours of the commencement of the leave and must provide written notice within three (3) days of starting leave.
- (B) As outlined in the Administrative Procedures Manual (APM) Chapter 3, Section 35, employee's may be eligible for a maximum of twelve (12) weeks of PLO per benefit year, with an additional two (2) weeks for limitation related to pregnancy.

(C) Replacement wages will be paid by the State of Oregon. If the replacement wages do not equal the employee's gross base wage, the employee may choose to offset the reduction from their regular pay by charging time to their accrued leaves. Employees may also be eligible for Non-Occupational Disability Leave as outline is Section 5 below.

(D) Employees who are on PLO leave shall not accrue Time Management while on PLO. However, if employees supplement PLO payments, they will accrue TM only on used accrued leave hours.

(E) PLO, Non-Occupational Disability Leave, and FMLA/OFLA leaves run concurrently, unless otherwise prescribed by law. See the COUNTY's APM for more information.

Section 4-5 – Non-Occupational Disability Leave

(A) After the first of the month following (six) 6 months of employment~~After completion of six (6) months of employment~~ and Paid Leave Oregon (PLO) coverage has been determined, or notification of intent to not file has been received, if a non-occupational illness or injury exceeds the eighty (80) hour elimination period, the COUNTY will provide compensated time off at the employee's regular rate of pay for the first two (2) weeks of disability, or any part thereof; at ninety percent (90%) pay for the next two (2) weeks, or any part thereof; at eighty percent (80%) pay for the next two (2) weeks, or any part thereof; at seventy percent (70%) for the next two (2) weeks, or any part thereof; and at sixty-six and two-thirds percent (66-2/3%) any remaining disability period.
