

LONDON ROAD SAFETY CORRIDOR

DUII Prevention: **Make a Plan**

Background

More people have been killed or seriously injured from traffic crashes on London Road than similar roads statewide. Most of those crashes involved drugs and/or alcohol. We need everyone to coordinate with friends and family in advance to ensure the person driving is sober. We all want to get home safely.

Make a Plan

Designate a Sober Driver: 99% of people in the Cottage Grove area who responded to our public survey on DUII prevention said they would be willing to be a designated driver. So don't be shy about asking for, or volunteering to be, a designated driver. It's critical to designate the sober driver with a valid license in advance and provide the driver with everyone's addresses and emergency contact information.

Care for Guests: Confirm designated drivers and serve alternatives like water, soda and juice. Cut off the alcohol early and serve filling foods like bread. Take away keys from someone tempted to drive under the influence; invite them to stay over or arrange alternate transportation.

Arrange Transportation: Although transportation options are limited around London Road, some local services are listed below which may not be a complete list of available options:

- **South Lane Wheels** – passenger vans
 - Operates: M-F, 9AM – 4PM
 - Rates: \$3 under 3 miles; \$5 up to 5 miles; \$10 or more after 10 miles
 - 541-942-0456
- **Cottage Grove Classic Taxi**
 - Operates: M-F, 6AM – 9PM; Sat. 10AM – 9PM
 - Rates: \$3 flag drop; \$2.50/mile; \$5 min.
 - Call: 541-968-7212
