

# Lane County Community Wildfire Risk Reduction Grant Program

## Interest Form

The Lane County Land Management Division has received wildfire hazard mitigation funding from the Oregon State Fire Marshal to assist low income **and/or** vulnerable homeowners who are at least 55 years of age in rural communities across Lane County. This funding will be used to hire licensed contractors to perform removal of hazardous vegetation within 50 feet of selected households. The Land Management Division is partnering with rural fire districts and social service agencies to connect residents to this opportunity.

**If you are interested in seeing if you qualify to participate in this program, please fill out this form and mail it or drop it off in person to Lane County Land Management Division, 3050 N. Delta Highway, Eugene, OR 97408 by February 29th, 2024. You may also contact County staff at 541-682-6702 for assistance.**

Selected homeowners will be contacted by Lane County staff to schedule a site visit with County staff and a licensed contractor. After the initial site visit, the homeowner or their designated agent will have 14 days to accept participation in the program and agree to have the work performed by the licensed contractor. County staff will inspect the project at completion and document the work by taking photos of the process. Those photos may be used in media, print, and outreach efforts. By signing below, the homeowner or designated agent agrees to those terms of service and that the information provided has been true to the best of their knowledge.
