Subject: Please keep Conditional Use Review Criteria
Date: Sunday, April 01, 2018 9:18:52 AM

Dear Lindsey Eichner,
Lane County Land Management is currently revising its code that regulates uses on rural lands. Specifically, Chapter 16. As that would decrease landowners some input into decisions that might seriously impact the livability of their neighborhoods and communities, I mam against this removal of the part of the Conditional Use Review Criteria (4[d]) from the code.

Sinserely, Bill Wood
